2. Each candidate can only apply for either his/her election agent or one of his/her polling agents to be present in a dedicated polling station situated in a prison. An election agent or a polling agent may not be present in a dedicated polling station situated in a maximum security prison.

*A candidate may appoint election agent (section 23 of the Electoral Affairs Commission (Electoral Procedure) (Legislative Council) Regulation (Cap. 541D))*

  - (b) withdraw a candidate's candidature;
  - (c) authorize any person for the purposes of section 25;

  - (e) be present in a dedicated polling station situated in a maximum security prison.
- (19) The Commissioner of Correctional Services must not give consent to an election agent under subsection (18)(d) in respect of a polling station if a polling agent has been appointed under section 42 by the same candidate or list of candidates for that polling station.
- (20) Despite subsection (18)(d), the Commissioner of Correctional Services may, on an application made under that subsection during the week before polling day, give consent under that subsection if the Commissioner is satisfied that –
  - (a) an elector in custody or authorized representative in custody who is entitled to vote for the relevant constituency at a dedicated polling station situated in a prison is admitted or transferred to the prison during that week; and
  - (b) the application is made without undue delay after the admission or transfer.
- (21) If the Commissioner of Correctional Services refuses to give consent under subsection (18)(d), the Commissioner must notify the candidate, any candidate on the list of candidates or the election agent as soon as practicable.

*Candidates may appoint polling agents (section 42 of the Electoral Affairs Commission (Electoral Procedure) (Legislative Council) Regulation (Cap. 541D))*

- (8) A candidate must give notice of appointment of a polling agent to the Chief Electoral Officer at least 7 days before polling day.

  - (b) no polling agent may be appointed by a candidate or a list of candidates for a dedicated polling station situated in a prison if the Commissioner of Correctional Services has consented under section 23(18)(d) to the presence of the election agent of that candidate or list of candidates in that polling station;

- (c) no polling agent may be appointed for a dedicated polling station situated in a maximum security prison; and
  - (d) the appointment of a polling agent for a dedicated polling station situated in a prison is not effective unless –
    - (i) a notice of appointment is given in accordance with subsection (8), and
    - (ii) the Commissioner of Correctional Services consents to the appointment.
- (8B) Despite subsection (8A)(d), even though a notice of appointment is given during the week before polling day, the Commissioner of Correctional Services may still give consent under that subsection if the Commissioner is satisfied that –
- (a) an elector in custody or authorized representative in custody who is entitled to vote for the relevant constituency at the polling station concerned is admitted or transferred to the prison concerned during that week; and

4. Any person who is a holder of a Hong Kong Identity Card and has attained the age of 18 years may be appointed as a polling agent. A person can be appointed as a polling agent for more than one polling station. If full capacity of the area inside the polling station designated for such persons has been reached, the Presiding Officer may refuse further admission.
  - (c) Admission to the designated area of the polling station to observe the poll will normally be on a first-come-first-served basis. If the number of persons seeking admission at the same time exceeds the capacity, then lots will be drawn to determine the priority of entry.
  - (d) A person will only be allowed to stay in the designated area for ONE HOUR, thereafter he/she must leave unless the designated area is not fully occupied and no other person is waiting to be admitted. Every person admitted to the polling station is required to sign in and enter the time of admission on the log book kept by the polling staff.
  - (e) When the designated area is full, each person waiting to be admitted will be issued a number chit in sequence to record the order of his/her entry to the designated area when a vacant seat arises. When it is his/her turn, his/her number will be called outside the entrance to the polling station, but if he/she is not present, then admission will be granted to the one holding the next number chit. Such an absentee will have to obtain another number chit and join the queue afresh on his/her return.
