 - (b) withdraw a candidate's candidature;
 - (c) authorize any person for the purposes of section 25;

 - (e) be present in a dedicated polling station situated in a maximum security prison.
- (19) The Commissioner of Correctional Services must not give consent to an election agent under subsection (18)(d) in respect of a polling station if a polling agent has been appointed under section 42 by the same candidate for that polling station.
- (20) Despite subsection (18)(d), the Commissioner of Correctional Services may, on an application made under that subsection during the week before polling day, give consent under that subsection if the Commissioner is satisfied that –

 - (b) the application is made without undue delay after the admission or transfer.
- (21) If the Commissioner of Correctional Services refuses to give consent under subsection (18)(d), the Commissioner must notify the candidate or the election agent as soon as practicable.

Candidates may appoint polling agents (section 42 of the Electoral Affairs Commission (Electoral Procedure) (Legislative Council) Regulation (Cap. 541D))

 - (i) a notice of appointment is given in accordance with subsection (8), and
 - (ii) the Commissioner of Correctional Services consents to the appointment.
 - (8B) Despite subsection (8A)(d), even though a notice of appointment is given during the week before polling day, the Commissioner of Correctional Services may still give consent under that subsection if the Commissioner is satisfied that –

4. Any person who is a holder of a Hong Kong Identity Card and has attained the age of 18 years may be appointed as a polling agent. A person can be appointed as a polling agent for more than one polling station. A candidate or his/her election agent should not appoint the Chief Returning Officer, any Returning Officer, Assistant Returning Officer, or any person already appointed by the Chief Electoral Officer to assist at the poll or the count as his/her polling agent.
 5.
 - (a) For each candidate, only **one** among the candidate, his/her election agent or his/her polling agent may be present in a polling station to observe the poll at any one time.

If full capacity of the area inside the polling station designated for such persons has been reached, the Presiding Officer may refuse further admission of such persons to the polling station at that point of time.
 - (c) Admission to the designated area of the polling station to observe the poll will normally be on a first-come-first-served basis. If the number of persons seeking admission to the designated area at the same time exceeds the capacity, then lots will be drawn to determine the priority of entry.
 - (d) A person admitted to the designated area will only be allowed to stay in the designated area for ONE HOUR, thereafter he/she must leave unless the designated area is not fully occupied and no other person is waiting to be admitted to that designated area. Every person admitted to the designated area of the polling station is required to sign in and enter the time of admission on the log book kept by the polling staff.
 - (e) When the designated area is full, each person waiting to be admitted will be issued a number chit in sequence to record the order of his/her entry to the designated area when a vacant seat arises. When it is the turn of the person holding the number chit to enter that area, his/her number will be called outside the entrance to the polling station, but if the holder of that number chit is not present at that time, then admission to the designated area will be granted to the one holding the next number chit. Such an absentee will have to obtain another number chit and join the queue afresh on his/her return to the polling station.
